Residents Register First

Priority registration for library district residents begins the 15th of the month prior. Non-residents will go on a waiting list and be notified 48 hours prior to the class if space is available. Not sure if you live in the district? KPL's district closely duplicates the Kalamazoo Public School district. Call 553-7806 to check your address.

Reciprocal/Nonresident

Those that don't live in the district may choose to pay an annual fee (\$190 per family) for a KPL card with full KPL privileges, including priority registration for computer classes. Learn more at www.kpl.gov/account/reciprocal.
